Frankston City Council—George Pentland Reserve

GR worked on the shelter concept design in conjunction with Land Design Partnership prior to Frankston City Council going to tender for the fabrication and installation of the structure and associated works. At tender stage GR was successful in the fabrication and installation of this structure which included but not limited to;

- Hard clad steel posts
- HDG steel roof frame
- Colour bond roof
- 2x GR standard 'Caulfield' picnic setting 1800mm hardwood tops
- Coloured concrete curved seats with hardwood back rests
- Coloured concrete slab and 50m of approach paths
- Permits

"Frankston botanic gardens can now boast of its new infrastructure for local residents"
