

Moving into September is the perfect time to get your 2012/2013 works priorities underway!!!
Call GRDC for a no obligation discussion on your open space needs now!!!

August 2012

Three 9m x 5.4m Oblique Shelters - Chancellor Park - Streetscapes

As part of the development for Chancellor Park, David Joyce from Streetscapes contracted GRDC to construct these three oblique shelters. Talk to GRDC about custom & standard shelters for both high profile parks and smaller neighbourhood pocket parks. We have a shade solution for every situation, protect your community from the elements!!

- HDG SHS Posts
- RHS Roof Beams
- Curved fascia members
- Spotted gum roof battens
- Anti vandal galvanised fixings & brackets
- Bolt down configuration for posts
- Steel purlins

64m Boardwalk - Blyth Street, Brunswick - Moreland City Council

As part of the continuation of the Merri Creek Trail, Shanta Kumar from Moreland City Council awarded this tender to GRDC for the design and construction of this 64m access structure. This access structure consists of:

- Complete fabrication drawings
- Supply & install a series galvanised screw piles
- Treated pine balustrade posts & rails fabricated at GRDC headquarters
- Onsite labour
- Removal & demolition of existing path
- Cypress pine bearers & joists
- Recycled decking
- Concrete approach paths

6m x 5m Custom Hardwood Shelter - Eynesbury Estate - Tract Consultants

Katie Allen from Tract Consultants approached GRDC to design, engineer and fabricate this 6m x 5m custom hardwood shelter. This shelter consists of:

- Stone work to posts base
- Two hardwood timber seats
- BA drawings and engineering
- Building permit
- 200x200 hardwood factory stained posts
- Hardwood roof members with tapered ends
- Colourbond custom orb roofing

Three 4m x 4m Skillion Shelters - Markham Way Reserve - Streetscapes

These three standard shelters consist of:

- HDG Steel, timber clad posts
- Pre-cut, pre-drilled colourbond iron roofing
- LOSP treated factory stained pine roof framing
- Hardwood decorative screens
- Anti vandal galvanised fixings and brackets
- All BA drawings & engineering certification
- Post hold digging with concrete for footings
