GRDC recently designed & constructed this cute ID Restroom at the Barwon Heads Community Garden. The restroom comprises of external custom orb cladding and internal painted ply. The restroom was installed over a septic system and also included a 500 litre slim line water tank.

GRDC are specialists in access structures such as this 'T Shaped' Jetty that was recently installed at Lake Esmond, Ballarat. We are highly experienced, efficient and produce high quality structures every time. Call us today to discuss your next jetty, boardwalk or viewing platform project!

At Sefton Grange, Mt Martha, GRDC designed and constructed various structures including a viewing platform with pavilion shelter, 16x2m steel I-Beam footbridge and a 4x4 pavilion shelter with BBQ facilities and picnic settings. GRDC worked successfully with the landscape architect to create a user friendly estate.
