Balyang Sanctuary, Geelong 4D Restroom

This 4D restroom has recently been installed at Balyang Sanctuary and comprises of the following:

- Steel posts
- Pine roof and wall framing
- Colourbond roofing
- External Shadowclad
- Internal painted fibre cement
- Internal water tank
- All stainless steel toiletware
- Architectural hardware

Stratford Skillion Shelter

Designed and constructed for by GRDC this cute 7x3m skillion shelter has improved the look of the local neighbourhood park. Featuring timber clad posts and hardwood slats; the shelter is doing a great job of protecting the local community from the sun.

Access Structures

From fishing platforms and boardwalks to small scale viewing platforms, GRDC are the people to speak to when looking at your next access structure. We can custom design the perfect structure to meet your needs.

This 3x4m viewing platform installed at the Carrum Downs Recreation Reserve comprised of hardwood posts, bearers, deck & capping and also featured stainless steel wiring.

Standard & Custom Furniture

From a simple picnic setting to a custom designed feature piece, GRDC is the solutions to all of your outdoor furniture needs. We have an extensive range of standard pre-engineered furniture pieces to choose from to compliment your existing infrastructure. We can also design a one off piece such as this custom hardwood bench seat recently installed at Bundoora. Fabricated from recycled hardwood this seat is practical and eye catching!
