- Call us today to discuss your next open space project!

Ph: 1300 733 492

Other Projects Completed this month

3 x 7m Skillion Shelter
Market Reserve,
Stratford

10 x 5.5m Gazebo End Shelter
Rippleside Park, Geelong

7 x Platform Seats
Arbour Blvd, Burnside

Multi Gable End Shelter & Playworld Playground Riverdale on Plenty Estate

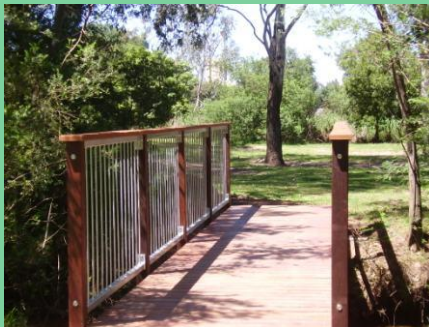

GRDC recently designed & constructed this Multi Gable End Shelter at the Riverdale on Plenty Estate in Mernda. The shelter included block work around the plinths to give it a more architecturally designed look.

The project also included the installation of a Playworld Playground.

10 x 2m Steel I-Beam Footbridge Port of Maffra

GRDC used local contractors to install this 10 x 2m Steel I-Beam Footbridge at the refurbished Port of Maffra. The footbridge featured a timber & steel handrail and hardwood decking.

2D Curved Roof Restroom Wilson Botanic Park, Berwick

This custom designed Twin Disabled Restroom was completed a short time ago at the Wilson Botanic Park in Berwick. The restroom has full disabled access, hot dipped galvanised powdercoated posts and internal & external colourbond cladding.

Custom Hardwood Shelter The Village Estate, Clayton South

Another example of GRDC's extensive range of custom structures, this Custom Hardwood Shelter was designed and engineered by our client and constructed by GRDC.
